

Make: Billy Goat

Model: MV650SP

Description: Self-Propelled Multi Surface Vacuum

Step up to the heavy-duty clean up power of the MV Series 74cm/29" wide lawn and litter vacuums. Designed for both hard surfaces and turf, the MV Series is ideal for larger properties, commercial lots, leaf clean up, hire companies, parks, city streets, school districts or municipal clean up. Powerful 6-blade serrated impeller for maximum suction and debris reduction. Picks up cans, bottles, grass clippings, litter and other debris with ease. Abrasion-resistant composite housing components reduce weight and won't rust or dent. This MV650SPH vacuum is self-propelled, 3 speed, and is equipped with a powerful Honda engine.

Specification - Technical Data

- Wheels: 14"
- Impeller Blades: 6
- Impeller Type: Serrated
- Bag System: Sliding Bag
- Capacity: 151ltr
- Weight: 82kg
- Length: 163cm
- Width: 74cm
- Height: 116cm
- Engine: GSV190 Honda
- Performance: 6.5hp / 4.9Kw
- Displacement: 187cc
- Starting: Recoil
- Productivity: 4250m³/h
- Working Width: 74cm / 29"
- Drive Type: Self Propelled
- Transmission Type: Geared
- Housing Material: Composite
