

Make: Husqvarna
Model: FS410
Description: Floor Saw Diesel 18"-20"

The Husqvarna FS410 is a strong and robust diesel powered multi-purpose floor saw ideal for a wide variety of small to medium sized service and repair jobs in both concrete and asphalt surfaces, up to a maximum depth of 189mm.

It is an impressive saw throughout, with both right and left hand cutting capability for added product versatility.

It has a comprehensive dashboard console with engine throttle control, emergency stop switch, tachometer, a patent-pending spring-assisted screw feed blade adjustment, a cutting depth lock and cutting depth indicator available the operators finger tips for added convenience. It even has a small toolbox crafted within its frame.
