

TECHNICAL DATA

Battery voltage

36 V

Battery type

Li-ion

Triaxial vibration value for cutting wooden beam (ah,WB)

16 m/s² ¹

Triaxial vibration value for cutting board (ah,B)

13 m/s² ²

A-weighted emission sound power level

101 dB (A) ³

Weight according to EPTA Procedure 01/2003

4.37 kg

Stroke rate

2850 strokes / minute

Stroke length

32 mm

Stroke rate regulation

Yes

Smart Power

No

Active Vibration Reduction

Yes

Variable speed switch

Yes
