

Make: Numatic
Model: CTD570
Description: Carpet Cleaner - Twin Motor

The CleanTec 570 provides powerful cleaning results with tough construction, huge capacity and long-life TwinFlo bypass motors which is easy to store, always on hand and ready for anything.

The heavy-duty Structofoam construction in both head and body is rugged yet light in weight, and our tank within a tank design is simple, clean and efficient providing an easy to fill and quick to change system.

The PowerFlo pump system injects the cleaning solution deep into the carpets in a continuous deep cleaning cycle.
