Easy and quick way to move pipes and tubing. The adaptable mobile on-site pipe and conduit storage solution. The PipeRack™ is an innovatively designed wheeled storage rack to manoeuvre while you're working on site. Each unit has been fully tested and certified to guarantee you a top quality product that is durable and built to last, while the fully collapsible design means that it can be easily transported and stored when not in use. PipeRack™ is certificated and suitable for storing up to 2 tonne storage capacity. Not to be moved whilst fully loaded.
