**Make: Trelawny**

**Model: LR4**

**Description: Long Reach Air Chisel Scaler**

**Air Long Reach scalers are specifically designed to reduce the risks of backache and to extend their use into previously inaccessible areas. Applications include the removal of floor tiles, residue, chemical spillages, ice, roofing material removal. Always use an In Line Oil Lubricator and Moisture Separator with these tools. Attach the In Line Oiler Lubricator as close to the tool as practical.**
